## FOLDING BIKE Size Chart

# Folding Bikes

---

If part of your journey is on a train then a folding bike is a must! As trains continue to reduce the number of bikes allowed, a folding bicycle navigates around this issue nicely! The average weight of a folding cycle is being reduced all the time and the folding mechanisms get simpler. They also store neatly under your desk.

---

Folding Bikes						
Bike Size	Rider Height			Rider Height (cm)		
One Size Fits All	4 ' 10"	-	6 ' 4"	148	-	193
Please Note: Brompton bikes require a telescopic seatpost if your inside leg is greater than 35 inches.						

---
