Specialized Sirrus Elite Comp

Specialized introduced the first major production mountain bike in the world in 1980, revolutionising the bike industry, and since then has maintained a reputation as a technological leader in the bike and accessory market. Today, Specialized produces a full range of high-end and entry-level road bikes, mountain bikes, commuter/city bikes, children's bikes, and BMX bikes. The company also offers an extensive line of bike accessories, including helmets, water bottles, jerseys, tires, and shoes. That is why Specialized is the choice of riders on the world professional cycling circuit.
