

Get paid to ride your bike!!

Now we've got your attention, let's tell you how.

Evans Cycles are recruiting for staff to help deliver our Ride It! series of cycling events. We are recruiting for an Event Assistant who will assist with the set up, running and taking down of the events and routes.

Ride It event assistant duties:

- Setting out courses – by bike and van
- Taking down courses – by bike and van
- Manning sign on
- Manning canteen
- Starting and finishing riders

Who are we looking for?

The right people will love cycling and will want to see others enjoying the sport as much as they do. You will need to be dedicated, friendly and outgoing. You will enjoy road riding and mountain biking and be fit and capable to ride reasonable distances.

A driver's licence is essential and staff need to be based in the South East. You also need to be a morning person!!

There is no requirement to be an existing Evans Cycles employee to apply for these roles.

Working period & benefits

The events take place every second weekend and alternate between an event in the South East and one further away each month. This means you will be working every second weekend and be away from home one weekend a month (this will vary and staff flexibility is required).

Staff will receive the following benefits:

- Competitive daily pay rate
- Paid while travelling to and from events
- Hotel accommodation while away from home
- Travel expenses (flights, train etc)
- Food and drink paid for while away from home
- Kitted out with free Gore Bikewear clothing
- Access to the Evans Cycles staff purchase programme

The other role requires staff on Saturday and Sunday for local events, and Friday through to Monday for events further away (approx 6 days a month)

Interested? Then contact....
